Subject: Solicitation for Participants: Work Groups # 157
Importance: High

MAILERS TECHNICAL ADVISORY COMMITTEE
UNITED STATES POSTAL SERVICE ®

Dear MTAC Representatives:

The leaders of the newly-created MTAC ***Work Group #157 Evaluation and Recommendation of Vetted Proposals that could be Implemented to Load Level Volumes Across Days of the Week*** are looking for interested participants. The mission statement for this Work Group is attached.

If you are interested in participating in Work Group #157, **please contact its leaders by COB Tuesday, May 7**:

Industry leader: **Dale Miller** **dale.r.miller@rrd.com**

Postal leader: **Linda Malone** lindamarie.malone@usps.gov

The Work Group's first meeting will be on Thursday, May 9. These Work Group leaders will contact prospective participants with further information about their first meeting.

Thanks to all for the time and effort you put into MTAC and its Work Groups, Task Teams and User Groups.
