Petition in Support of Reopening Prairie City, SD, Post Office

Whereas, Prairie City Post Office, Prairie City, South Dakota was closed on December 1, 2009 by the United States Postal Service, due to safety and health issues, and

Whereas, this closure has placed tremendous hardship on patrons of the Prairie City Post Office, as there is no possible way to secure outgoing mail, loss of services and the distance to do business at the Bison Post Office is unacceptable.

Therefore, we the signers of this petition, being patrons of or directly affected by the closure of the Prairie City Post Office, hereby demand that Senator Tim Johnson, Senator John Thune, Representative Stephanie Herseth-Sandler and the United States Postal Service give their support and consideration to reopening the Prairie City Post Office.
