POSTAL REGULATORY
COMMISSION

Dear Commissioners:

After your automotive phone service hung up on me without taking my message, I am penning my opinions on DEJOY.

This individual's proposed service changes to our USPS are absurd. He has already damaged our tax funded mail delivery system by destroying sorting machines, removing mail boxes, and putting restrictions on carriers.

Do NOT permit DeJoy to do irreversible damage to our essential mail system. Further, he should be replaced. Benjamin Franklin is spinning in his grave.

Respectfully submitted,
Mrs Olen Bailey
