Dear Sirs:

Please DO NOT accept DeJoy's 10-year plan.

Please FIRE DeJoy. Please hold DeJoy criminally responsible for the needless destruction of the tax-paid machinery under his control.

I have always admired postal workers and the postal service. For more than 22 years, I taught a University of North Dakota traditional correspondence course. I had several hundred students who relied on the mail to send and receive lessons. For these 22 years, lessons arrived in 3 days.

The citizens of America have a right to excellent mail service.

De Joy has personally eliminated the excellence that has existed for decades.

Please do not allow this to continue.

Mary M. Russell
