POSTAL REGULATORY COMMISSION

Dear Postal Commissioners,

Surely you must realize how a vast majority of Americans feel about the postal system. Since Mr. DeJoy (no joy) was placed in his position mail service is abominable. I have written to "no joy" to complain & have yet to receive a reply. Since he has been in his position I had my home owners insurance cancelled because the insurance company did not receive my payment. It has since been reinstated but only after much deliberation. Christmas gifts mailed at the beginning of December were not received until 3 weeks

after Christmas. My mail is constantly placed in neighbors' mailboxes. Many times my bills are not received until payment is due. At 81, I don't need this aggravation.

I urge you to oppose any further changes to the postal system & remove "no joy" from his position.

Sincerely,
Mary Rose Malia
