FINAL DETERMINATION TO CLOSE

THE ECORSE, MI CLASSIFIED BRANCH

AND EXTEND

CITY DELIVERY SERVICE

DOCKET NUMBER 48229

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service has determined to close the Ecorse, MI Classified Branch and provide city delivery service administered by the River Rouge Classified Branch, located 1.7 miles away. Service will be provided to roadside mailboxes installed by customers on the carrier's line of travel. Customers also have the option of post office box delivery at the River Rouge Classified Branch.

A workload analysis conducted indicated the office workload has declined. Also a new River Rouge Classified Branch was established in December of 2006, located approximately 1.7 miles away. The Postal Service feels that with the decline in workload and the new River Rouge Branch being built only 1.7 miles away that effective and regular service will continue to be provided to the customers of Ecorse.

The Ecorse Classified Branch provides service 42.5 hours a week from 8:30 a.m. to 5 p.m., Monday through Friday, and closed on Saturday to 145 post office box customers. Retail services include the sale of stamps, stamped paper, and money orders; special services such as registered mail, certified, insured, COD, and Express Mail; and the acceptance and dispatch of all classes of mail. Daily retail window transactions average 132. Office receipts for the last three years were: $218,740.41 (661 revenue units) in 2004; $212,822.96 (643 revenue units) in 2005; and $192,999.00 (583 revenue units) in 2006. There are no permit mailers or postage meter customers.

When this final determination is implemented, delivery and retail services will be provided by city delivery emanating from the River Rouge Classified Branch, an EAS-20 level office, located 1.7 miles away. Window service hours at River Rouge are from 8 a.m. to 5 p.m., Monday through Friday and 8 a.m. to 12 noon on Saturday. There are 335 post office boxes available.

On September 29, 2006, questionnaires were distributed to delivery customers of the Ecorse Classified Branch. Fifty-three questionnaires were returned. Eight responses were favorable, 23 unfavorable and 22 expressed no opinion regarding the proposed alternate service.

The following postal concerns were expressed on the returned questionnaires and from customer letters:

1. **Concern:** Customers expressed concern about misdelivered mail when receiving city delivery service.

   Response: The concern about misdelivery has been brought to the attention of the administrative postmaster. The Postal Service regrets any inconvenience that customers have experienced because of misdelivery. We consider misdelivered mail a very serious problem and appreciate when customers report this to us since it provides an opportunity to take corrective action.

2. **Concern:** Customers were concerned about mail security.

   Response: Verification with the Postal Inspection Service and local law enforcement officials revealed numerous reports of mail theft or vandalism in the area. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose. Customers also have the option of post office delivery at the River Rouge Classified Branch.

3. **Concern:** Customers were concerned about having to travel to another post office for service.

   Response: Services provided at the classified branch will be available from the carrier, and customers will not have to travel to another post office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience.

4. **Concern:** Customers were concerned about senior citizens.

   Response: Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes. Customers do not have to make a special trip to the post office for service. Special provisions are made for hardship cases or special customer needs.

5. **Concern:** Customers said they would miss the special attention and assistance provided by the personnel at the Ecorse Classified Branch.

   Response: Courteous and helpful service will be provided by personnel at the River Rouge Classified Branch and from the carrier. Special assistance will be provided as needed.

6. **Concern:** Customers expressed concern that the postal employees at the River Rouge Classified Branch are rude.

   Response: Employee courtesy is always a concern of postal managers. Postal employees receive periodic instructions regarding employee courtesy. We do not condone our employees' execution of their duties in an unprofessional or discourteous manner. This concern will be conveyed to the postmaster.

7. **Concern:** Customers were concerned about a change of address.

   Response: Customers will experience an address change. Mail will be forwarded in accordance with postal regulations, and change of address forms are available from the Postal Service to assist customers in notifying correspondents of the change. An example of the change is shown below.

Present Address:	**Proposed Address:**
JOHN DOE PO BOX I ECORES MI 48229-0001	JOHN DOE 100 MAIN ST ECORSE MI 48229-1000

8. **Concern:** Customers wanted to know why the customer lines were so long at the River Rouge Classified Branch.

   Response: The River Rouge Classified Branch serves a much larger area and has a heavier retail window workload. This concern has been brought to the attention of the River Rouge Manager so they can monitor window operations and ensure that customers do not have an unreasonable wait to obtain services. The carrier can provide retail services, alleviating the need for customers to go to the post office for service.

Some advantages to the final determination are:

1. Carrier delivery service is beneficial to some senior citizens, the handicapped, and working people since customers will no longer need to travel to the post office to pick up their mail.

2. The carrier provides retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.

3. Customers opting for carrier service will have 24-hour access to their mail.

4. A savings for the Postal Service, which contributes in the long run to stable postage rates and savings for customers.

5. Customers opting for carrier service will no longer have to pay post office box fees.

6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages to the final determination are:

1. The loss of a retail outlet in the community.

2. Meeting the carrier at the mailbox to transact business. However, it is not necessary to be present to conduct most postal transactions.

3. A change in mailing address. The community name and ZIP Code will continue to be used in the new address. However, a street address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Ecorse is located in the incorporated city of Ecorse. The area is administered politically by a mayor and council form of government. Police and fire protection is provided by the City of Ecorse. The community is comprised of retirees, those who commute to work at nearby communities and those who work in local businesses.

There are over 190 religious institutions, businesses and organizations in the community.

Nonpostal services provided at the Ecorse Classified Branch will be available at the River Rouge Classified Branch.

Based on information the Postal Service obtained, it was determined that there has been minimal growth in the area in recent years. Carrier service is expected to be able to handle any future growth in the community.

To help preserve community identity, the community's name and ZIP Code will be retained in the mailing address. It will continue to be listed in the National Five-Digit ZIP Code and Post Office Directory.

Based on information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

There were two career clerks staffing the Ecorse Classified Branch. One clerk retired November 1, 2006. The other clerk will be re-assigned to the River Rouge Classified Branch when this final determination is implemented. A clerk assigned to the River Rouge Classified Branch has been relieving the clerk for lunch. No other employee will be adversely affected.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of $113,060.00 with a breakdown as follows:

Clerks Salary (PS-5, Minimum, No COLA)	$96,824.00
Fringe Benefits @33.5%	32,436.00
Rental Costs, Excluding Utilities	+15,000.00
Total Annual Costs	$144,260.00
Less Cost of Replacement Service	-$31,200.00
Total Annual Savings	$113,060.00

A one-time expense of approximately $30,000.00 will be incurred to pay the lease costs until April 30, 2009.

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service has determined to close the Ecorse Classified Branch and provide city delivery service administered by the River Rouge Classified Branch, located 1.7 miles away.

There were two career clerks assigned to the Ecorse Classified Branch. One clerk retired on November 1, 2006 and the second clerk will be re-assigned to the River Rouge Classified Branch. No other employee will be adversely affected. Workload has declined and a new River Rouge Classified Branch has been established 1.7 miles away.

The Ecorse Classified Branch provides 42.5 hours of window service per week. Daily retail window transactions averaged 132. There are no permit mailers or postage meter customers.

Carrier service will continue to provide effective and regular service to the community. There will no longer be a retail outlet in the community. However, delivery and retail services will be available from the carrier, alleviating the need to travel to a post office for service. Customers opting for carrier delivery will have 24-hour access to their mail. To help preserve community identity, the community name and ZIP Code will be retained in the mailing address. The Postal Service will save an estimated $113,060.00 annually. A disadvantage to some may be in meeting the carrier to transact business. However, it is not necessary to be present to conduct most postal transactions.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.

VII. NOTICES

Notify customers of the permanent discontinuance of the Ecorse Classified Branch and advise them of the hours of operation and services available at the River Rouge Classified Branch. Explain specific information on address changes and why the change is necessary.

We are proposing to close the office prior to November 1, 2006, when one of the two assigned clerks is scheduled to retire. The remaining clerk would be transferred to the River Rouge Branch, which is the administering office. The Postal Customers in Ecorse will have the option of having carrier service or a Post Office Box at the new facility which is less than 2 miles from the Ecorse office. Other reasons to initiate the study include the need to improve operational efficiency and to validate a suspected decline in workload and revenue. However, since the current lease does not expire until April 30, 2009, our options and the cost of each will be documented and carefully weighed against any possible savings.

Please indicate your approval of this study by signing below and returning the original form to this office.

Survey Period: September 1, 2006 through September 14, 2006 *(Signature and Title)*

Record the number of *retail* window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use Form 2007-A, *Window Transaction Record;* Form 2007-B, *Window Transaction Conversion;* and Form 2007-C, *Window Transaction Survey.* Use hash marks (*////*) for daily entries in the columns. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

Survey Period: September 1, 2006 through September 14, 2006 *(Signature and Title)*

Record the number of *retail* window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use Form 2007-A, *Window Transaction Record;* Form 2007-B, *Window Transaction Conversion;* and Form 2007-C, *Window Transaction Survey*. Use hash marks (*////*) for daily entries in the columns. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

UNITED STATES POSTAL SERVICE

September 29, 2006

Dear Postal Customer:

As the postal manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in how your postal services are provided. The recommended change is to close the Ecorse Finance Branch and relocate those clerks to the new location for the River Rouge Post Office. The new River Rouge Branch, which is only 1.7 miles from the current location of the Ecorse Branch at 27 Salliotte, is tentatively scheduled to open on November 1, 2006 at 10455 W. Jefferson Ave.

Briefly, we would like to provide service to you at the new River Rouge Office. The River Rouge Post Office will provide the same retail services as the Ecorse Branch. If you wish to continue PO Box Service at the River Rouge Office, a change of address will be required. If you wish to change to City Carrier delivery from the River Rouge Office, you must reside in their delivery ZIP Codes (48217, 48218 & 48229) and you will also need to complete Change of address card. If you reside outside of the River Rouge Post Office delivery ZIP Codes, you cannot receive carrier delivery from that office.

I invite you to send us your thoughts on this change by completing the enclosed questionnaire. Please return the questionnaire no later than Tuesday, October 17, 2006 by using the pre-addressed envelope provided. Please be aware that if we formalize a proposal, your questionnaire will become part of an official record and will be available for public viewing.

If you have any questions, you may call Cynthia French, Post Office Review Coordinator at (313) 226-8563.

Thank you for your assistance.

Sincerely,

Stephanie M. Brantley

I realize that the R.R. office is new + bright, but the Ecorse station serves well for those who have to walk to receive service. The station personel also services has a plus. My dealings with Walter + Mrs Smith has been a big help with my postal needs. So if at all possible I feel that the Ecorse station should remain open. Thanks.

I am disabled and the Ecorse PO is easy acess plus the clerks are friendly and helpful. They go out of their way to assist customers. If Ecorse is closed, I will move my business to Lincoln Park — I never go to Rouge except to Lozon Haroware.

WE ARE BUSINESS OWNERS BASED IN ECORSE AND WE HAVE HAD OUR P.O. BOX WITH ECORSE OVER A NUMBER OF YEARS AND IT WOULD INCONVENIENCE US BY HAVING TO CHANGE ALL OF OUR PAPERWORK, INVOICES, LABELS, ETC. TO ANOTHER ADDRESS. WE THINK EVERY CITY SHOULD HAVE THEIR OWN, PERSONAL POST OFFICE, LIBRARY, CITY HALL FACILITY TO ACCOMODATE THE TAX PAYING CITIZENS. WHY SHOULD WE HAVE TO GO OUTSIDE OF OUR OWN CITY FOR THE BASIC NEEDS OF POSTAL SERVICES? I CAN WALK FROM MY HOUSE TO ECORSE POST OFFICE, BUT NOT RIVER ROUGE! WE ALSO LIKE THE PERSONAL, WARM RELATION OF THE EMPLOYEES AT ECORSE BRANCH. THEY GREET YOU ON 1ST NAME BASIS AND THAT'S [illegible]

To the postal service.

Your talk about closing my post office, our neighborhood post office, our community post office disturbs me. No one seems to care about the people any more, it always comes down to the bottom line. There are people that love this post office, me being one of them. I've been to the rouge post office, they didn't make me feel like I was at home. In fact I was a little uncomfortable, they made me feel like they were doing me a favor by waiting on me, I've never gotten that feeling at the Ecorse post office. They know almost everyone by name, and they are always friendly and courteous. Its in a location where it serves a lot of walking traffic, and seniors who don't have transportation. I've seen them close the bank down the street from you, that was always busy, and convenient for the people in the neighborhood. I've seen them eliminate the city workers of Ecorse and hire out the work to people who don't give a damn about the city, and it shows. Ecorse and rouge has always competed against each other, lately it seems like rouge is getting all the glory. A lot of people will be happy if you keep the post office open. While you think about it, remember what GOD said, "WHAT YOU DO TO THE LEAST OF MY PEOPLE, YOU ALSO DO TO ME"

Thanks for your time

October 11, 2006

Stephanie M. Brantley
Manager Customer Services
United States Postal Service
River Rouge Branch
235 Burke St.
River Rouge, MI 48218-9998

Dear Ms. Brantley,

My name is [redacted]. I manage the mailroom at [redacted], in Ecorse. I have been using the Ecorse Post Office for 33 years for our mail service. It would deeply sadden me to see this station close. This station is such a convenience for me. At one time, there were ten people working in the mailroom. Now, there is only myself. The Ecorse Station is a part of my daily route, included with all of my other stops.

If I had to use the River Rouge station, I would be backtracking everyday. I can remember a few years back when we had to use the River Rouge Station. It was a dreadful situation, as the staff was not very nice. I'm sad to report that they were, in fact, rude. Needless to say, I was so delighted when I was able to go back to the Ecorse Station. The staff there are WONDERFUL, such a pleasure to work with.

I appreciate the time you've taken to listen to my opinion concerning a possible change in how our postal services are provided. My hopes are that you receive similar opinions from others in the area and that those opinions will help you to decide to keep the Ecorse Station open for our working convenience. That would be the best- case scenario.

Sincerely,

[redacted]

To: Detroit District

Subj: Ecorse Post Office

The Ecorse Post Office was built in 1947. I conducted a facility inspection in October 2006. The over-all condition of the facility was good. The following are the discrepancies I discovered during the inspection.

Exterior:

1. Back wall needs 100 bricks replaced.
2. Tuck pointing required around entire building.
3. Parking lot needs resurfacing (20' X 130')
4. Back alley parking lot needs repair and resurfacing (20' X 80').
5. One catch basin needs rework and concrete collar.
6. Five glass front windows need replacement.
7. Roof-rubber membrane needs replacement.
8. Awning needs to be cleaned or replaced.

Interior:

1. Lobby needs painting.
2. Six tiles need replacement in front lobby.
3. Several ceiling tiles need replacement from water stains.
4. Duct work needs cleaning including floor vents.
5. Mail drop needs painting.
6. Seven windows on workroom floor need replacement.
7. Four windows in back need to be replaced.
8. Wall crack by side door should be repaired.

The lobby, workroom floor, swing room, furnace room, men's and women's restrooms were all in good condition.

Sincerely,

Carol Bevard

Petitions Collected to Keep Ecorse Post Office Open

By Gina C. Wilson

Throughout the city of Ecorse residents are coming together in an effort to keep the Post Office at 27 Salliotte open. The residents caught wind of a rumor that said the Ecorse Post Office will close once the new post office in River Rouge is complete. The River Rouge post office is nearing completion and is scheduled to open sometime in November.

If the post office in Ecorse is closed, residents would also have the option to utilize the post offices in Wyandotte or Lincoln Park as well as the one in River Rouge. Many residents say that those post offices are not convenient and residents without a car would be unable to get to the post office to conduct their postal service business. Several years ago many of the mailboxes throughout the community had been removed, leaving the post office as the only avenue to use to drop off a letter to be mailed.

However, as times changed, the neighborhood post office has become more than a place just to drop off a letter to be mailed. You can purchase stamps, mail packages, purchase and cash money orders, ship letters and packages with priority mailing, receive mail in a P. O. Box as well as other necessary mailing services. All of these services make life more convenient and necessary for the residents of Ecorse.

The residents have numerous petitions available throughout the community that can be signed to show your concern and your desire to keep the post office on Salliote open. Several petitions have already been completed and sent to the State Representative's office. If you are a resident of the city of Ecorse and would like to sign a petition to keep the post office open you can sign a petition at the Senior Citizen Office located at 4072 W. Jefferson Ave.

According to the American Postal Workers Union, the USPS was founded to serve all Americans, yet the plans to downsize were developed behind closed doors, without community input and without concern for community impact. For more information or to voice your concerns call 1-877-7-our-mail.

New Post Office (Positive and Negative)

Early next month the new post office in River Rouge is slated to open. This is a great improvement for the city of River Rouge and the community. It has been a long time coming.

However with the opening of the new post office in River Rouge, the post office in Ecorse is to close and the services is to be transferred to River Rouge.

Ecorse residents have been collecting petitions to prevent this from happening. On Thursday this is a rally and a national day of picketing scheduled to save the mail service. This is organized by the APWU Detroit Division along with the Southeast Michigan Local. The international picketing is to show the public support.

Concerns are delays in mail service, inconvenience to seniors and residents and other services provided to the residents of Ecorse.

THE ECORSE, MI 48229 CLASSIFIED BRANCH

AND EXTEND

CITY DELIVERY SERVICE

DOCKET NUMBER 48229

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Ecorse, MI 48229 Classified Branch and extend city delivery service administered by the River Rouge, MI 48218 Post Office, located 1.7 miles away. The current Post Office Box customers at the Ecorse Branch will have the option of having city delivery to their homes or of transferring to a Post Office Box with the same number and ZIP Code at the River Rouge Post Office.

The Ecorse Post Branch, administered by an EAS Level 20 office, provides service 42.50 hours a week from 8:30 A.M. to 5:00 P.M., Monday through Friday. The window is closed on Saturdays. The customers serviced are 145 Post Office Box, 0 general delivery, 0 intermediate and 0 rural/HCR customers. Retail services include the sale of stamps, stamped paper, and money orders; special services such as Registered, Certified, Insured, Delivery Confirmation, Signature Confirmation, COD, and Express Mail; and the acceptance and dispatch of all classes of mail. Daily retail window transactions average 132. Office receipts for the last three years were: $218,740.41 (661 revenue units) in FY 2004; $212,822.96 (643 revenue units) in FY 2005; and $192,999.00 (583 revenue units) in FY 2006. There are no permit mailers and no postage meter customers. The lease does not expire until April 30, 2009, but does have a 30 day cancellation clause. No suitable alternate quarters are available.

The River Rouge Post Office moved into a brand new facility 1.7 miles away from the Ecorse Branch on December 16, 2006. It provides service 49 hours a week from 8:00 A.M. to 5:00 P.M. on Monday through Friday and from 8:00 A.M. to 12 noon on Saturdays. Of the 572 installed PO Boxes, 335 are available. Retail services include the sale of stamps, stamped paper, and money orders; special services such as Registered, Certified, Insured, Delivery Confirmation, Signature Confirmation, COD, and Express Mail; and the acceptance and dispatch of all classes of mail. There are no permit mailers and no postage meter customers.

On September 29, 2006, 145 questionnaires were distributed to the Post Office Box customers at the Ecorse Branch. 53 questionnaires were returned. 8 responses were favorable, 23 unfavorable and 22 expressed no opinion regarding the proposed alternate service.

To date there has been no record of a congressional inquiry.

To date no petition supporting the retention of the Ecorse, MI Classified Branch has been received.

The following postal concerns were expressed on the returned questionnaires:

1. **Concern:** Security of the mail delivered by carriers.

   Response: Customers will have post office box service available to them at the River Rouge facility.

2. **Concern:** Availability of post office boxes at the River Rouge office.

   Response: Customers will have post office box service available to them at the River Rouge facility.

Some advantages of a carrier service proposal are:

1. Carrier delivery service is beneficial to some senior citizens, the handicapped, and working people since customers will no longer need to travel to the Post Office to pick up their mail.

2. The carrier provides retail services, alleviating the need to go to the Post Office. *Stamps by Mail* order forms are provided for customer convenience.

3. Customers opting for carrier service will have 24-hour access to their mail.

4. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.

5. Customers opting for carrier service will no longer have to pay Post Office box fees.

6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages to a carrier service proposal are:

1. The loss of a retail outlet and in the community.

2. Need to meet the carrier at the mailbox to transact some business. However, it is not necessary to be present to conduct most postal transactions.

3. A change in mailing address from their PO Box to their street address. However, the community name and the ZIP Code will continue to be used in the new address.
