CUSTOMER CONTRACT FILING NOTICE FOR
GLOBAL EXPEDITED PACKAGE SERVICES – NON-PUBLISHED RATES 15
SERIAL NUMBERS ENDING: 0492 TO 0501
(August 18, 2022)

In compliance with Order No. 5558,[1] the United States Postal Service (Postal Service) gives notice of filing Global Expedited Package Services – Non-Published Rates 15 (GEPS NPR 15) customer agreements with serial numbers ending in 0492 to 0501.[2] The effective dates for the ten (10) agreements filed with this notice are listed below.

The Postal Service is filing these contracts with the Postal Regulatory Commission (Commission) under seal. The agreements are derived from a common template[3] and would appear essentially the same when redacted. Therefore, the Postal Service requests that the Commission consider the redacted version of the customer agreement with serial number NPR15-FY20-JUN20-N-T0-0001, filed in this docket as

[2] The full serial number, which contains fields useful to the Postal Service's administration of the contract, appears on the first page of the contract and in the text of this Notice.
[3] The common template is the GEPS – NPR 15 model contract, which was filed as Attachment 4 to the Request of the United States Postal Service to Add Global Expedited Package Services – Non-Published Rates 15 (GEPS – NPR 15) to the Competitive Products List and Notice of Filing GEPS - NPR 15 Model Contract and Application for Non-Public Treatment of Materials Filed Under Seal, Docket Nos. MC2020-136 and CP2020-145, May 21, 2020 ("GEPS – NPR 15 Notice").

The unredacted versions of the inputs worksheets, as well as supporting documentation, that were used to generate the customer-specific rate tables for the agreements for which the Postal Service is providing notice are being filed with the Commission under seal. The inputs worksheets are similar to the inputs worksheets for which the Postal Service filed redacted versions with the Postal Service's notice dated February 23, 2022, in this docket. Therefore, the Postal Service requests that the Commission consider the redacted versions of the inputs worksheets filed in this docket on February 23, 2022, as representative of the inputs worksheets filed with this notice.[5]

The Postal Service incorporates by reference the Application for Non-Public Treatment that it filed in conjunction with its notice of May 21, 2020, in this docket.[6] The application protects from disclosure the information that has been redacted from the contracts and the inputs worksheets that the Postal Service is filing today with this notice. In addition, the Postal Service recently provided notice to all foreign postal operators within the Universal Postal Union network through an International Bureau Circular issued on November 8, 2021, that the Postal Service will be regularly submitting certain business information to the Commission. Some UPU-designated foreign postal operators may have a proprietary interest in such information.[7] The

nonpublic materials under 39 C.F.R. § 3011.400, or a request for disclosure of materials for which non-public treatment has expired under 39 C.F.R. § 3011.401, the Postal Service notes, on Canada Post's behalf that differences in the official observation of national holidays might adversely and unduly affect Canada Post's ability to avail itself of the times allowed for response under the Commission's rules. In such cases, Canada Post has requested that the Postal Service convey its preemptive request that the Commission account for such holidays when accepting submissions on matters that affect Canada Post's interests.
