Still hope to the Lord, we get Post Office Back.
For it needed. Also shame & a Sin, I believe,
take last one out Northern Webster Co. Alsways
4 Post offices. Till in 1970's or early 1980's. after
death of Post master at Wheeler, Perry Hinkle -
But then think his widow + soninlaw run it for
a while. One down Holly 1st. to go due to Sutton Dam
not sure it in Webster Co. Or edge of Braxton Co.
All P.O.'s was used. — Also why run our
mail Carrier ~~2 miles~~ 15-20 miles to get Hacker Vly.
mail. When P.O. at H.V. wouldnt need do that —
Maybe need Check records, See yes, Postal Service
Did best. Probably before postage gotten so high —
Is a blessing to mail Carriers, have Vehicles instead

or on horse back, as vehicles, has heaters, etc. warmer
& dryer on mail carrier, also the mail. especially in Winter
Keeps mailer dryer ~~in summer~~ when Raining or snowing -

Also P.O. at Hacker Vly. more Central, for people, lines
at Cowger Hill, Replete, Cleveland, & Bendertown —
also on state Rt. 20 — Been told, was building in H.V. also
Jerys Run, Or Bill Lake, build, building for P.O. in H.V.

I'm afraid our nation, is failing, The Bible says earn your
bread, by the sweat of your face Gen. 3:19 Now seems want
all for looks, & push buttons, Seems don't want Coal mines, don't like
timber cut, times say muddies the Water, kills the fish. Don't think
so. used live close to river, fishing better, when water hole ~~muddy~~
Vandalism, I mailed into Postal Dept. Picture of One of our mail boxes
So see, how looked, we had replace 2013 - since 2000's - Also
try putting yourselves in our place, see how feel,

So sure hoping Get Post office back. — Told the man I talked to on ph.
about Places - for P.O, So sure hope you consider one of
them, for the sake of the people in Northern Webster Co.
