to whom it may Concern:

I Dean W. Break & my wife Glossie wish to appeal your Decision to close our Post Office in Sharpsburg, Iowa 50862. we believe your are doing so unnecessarily. Linda Spring has been O.C. for over Eighteen years and would like to continue doing so. your figures about savings is incorrect. She hasn't drawn postmaster salary all those years. I think our Post Office should have been exempt from your closing due to that fact. I retired in 1988 and in three years after that we had three different Postmasters sent from the Creston Office. I think the Postal Service was negligent in not appointing Linda Spring Postmaster. also Linda Spring runs the only Store & Cafe in town. the business is small enough that she will have to close the Store & Cafe and seek employment elsewhere. you say this will not hurt this small town. Ha.

we want to keep our Post Office!

thank you for your time with this
