I am appealing the closing of our Geuda Springs Post Office 67051 - Putting us on the Oxford, - now seems to be Winfield Post Office - This makes things (mail) later than ever & very inconvenient. When ordering medicine that is suppose to be kept at room temperature - this makes medicine out for 5-6 hours plus & more. If left at the Winfield Post Office - 20+ miles away - round trip 40 miles - this is an extra trip - this is not good. We do not shop at Oxford - nothing to shop for. We seldom go to Winfield. If closing our Post Office is a must, think about this -

The people here work, shop, do business, bank, go to Doctors at Arkansas City, Kansas which is 12 miles away - some one could always pick up medicine or undelivered packages. So much better.

Arkansas City, Kansas 67005 would be so much more convient, if you close our Post Office

Please Consider this. Sincerely

Mrs Billie A. Paton
