To Whom It May Concern

I am writing you this Letter to let you know that I am appealing the Closing of The Daisy Post Office For These Specific Reasons:

1- I Came To Daisy Back in The year of 1934. My Husband AT That Time was Post Master. We Had 2 Routes (mail) To Go Out From Daisy. Still A Strong Post Office. We would Very much Like To Continue Having The Post Office Here-

2- It Would Be Bad To Start Changing Addresses And Having mail mixed up. Also Putting up mail Boxes would be Bad and a Lot of Trouble.

3- The Post Office Is Like One of The Family- Hard To Think About Giving up-

4- The Post Office is Very Important For The Idenity of The City of Daisy-

5- The Post Office Is A Great meeting Place For Our Elderly-

Please Reconsider All These Things For Our People In The City of Daisy and Our Community.

Thanks
