POSTAL REGULATORY COMMISSION
OFFICE OF THE SECRETARY

To whom it may Concern:

I Notice on October 21, 2011 you guys recieved my petition. Now I don't Know how many more petitions you all recieved but I truly hope its enough to keep our Post Office open.

We the Citizens of McFarlan hopes that in a big globial situation that we all are in that you would help and not make it worse on us to Keep our town stable. Without this we would probaly start losing towns people because there's No Post Office. We are Not looking to grow because here we are very comfortable with the people we have. Everyone here seems to Know who belongs and who don't.

So take a look at our history with crime and that will tell you we are all loving people and don't need No crimes to enter our little town. We love our Post Office and the people employed by you guys here No one has to be afraid of who walks in or out this office, so please consider it again an just think if you grew up in an enviorment like this you would do everything possible to save what you have. Thanks again
