POSTAL REGULATORY COMMISSION OFFICE OF THE SECRETARY

Dear Sirs:

I am writing to you in regards over closing our Post Office. I feel strongly we need this office, this for one is a good location for the community and other nearby communities whom pass through here going to Reidville (to the north) or Meadow Bridge (to the south).

I am the former Postmaster of Spring Dale, working there for 22 yrs. and approx. two yrs. as OIC. We went down this path at that time and we recovered very well, I brought up revenue and visited more boxes and made this a great office, plus we got a new building. I feel this office is strong and will survive if you give us a chance.

This is a customer friendly office and serves the people well, afterall the people can make or break any job. Even those in a larger offices. Please reconsider and keep it open!!!
