Dear Sir-

SECRETARY

this letter is to appeal the closing of the post office in Alvord. 51230 the inconvenience would be "great". It would not do the Main St. any good. The people would be standing out in -10° weather trying to use a key to unlock a box. The cost to set up these boxes would be much more than the $3600 paid on building rent that is now being paid for our post office.

at least consider to
have the post office
open 4 hours a day.
It would be appreciated
if the Alvord post office
would not be closed.

Sincerely,

Elaine Children
