POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

Postal Regulatory Commission,

I would like to appeal the closing of the Elk River, Idaho Post Office. The closing of this facility will be a hardship on the community. The nearest Post Office from here is 17 miles away and also slated to close. The next one after that is 27 miles away. We have an older population and harsh winters. Once again losing our Post Office will be a hardship for this community.
