POSTAL REGULATORY COMMISSION
OFFICE OF THE SECRETARY

My self and my roomate have a box Daisy Post office as do many others that are living on a fixed income, adding more expences to our small checks would be a shame.
And making us rent from Claxton, Pembroke, or Statesboro. would do that.
In box fees and in gas.
We can put up a box but we do not trust some of the people now days. steeling our checks or identy.
I my self have been getting my mail there for the past 32 years. Back when it was a General Delevery and we had to ask the store owner to get our mail, and I am not the only one.
We beg you not to close the post office.

Thank you.
Joe Griffin
