Docket #1362509 48832

All of us older people and the ones who live outside of Elwell Michigan want the Post Office to stay open because if we have to go to the next town to get a post Office Box No, would be a hardship on us because gas prices are so high and other reasons. I have a mail box on the corner of Clinton St. and had a check picked up and cashed, so I got a post Office Box No. Only my check and my insurances and extra things go in there. Also I pay all my bills at the post Office. Only my bills are coming to my ~~post~~ mail box now. We hope you can keep Elwell, Michigan Post Office open.

Thank you,

Marjorie Brecht
