TO Industry Association Executives

I have attached to this message the list of mail processing facilities that will be studied for closure and consolidation over the next few months. This list will not be shared with the public until after the Postal Service's press event later this morning.(11 am) I am sharing the list with you before it becomes public in recognition of our mutual interest in the Postal Service's return to financial health, and the importance of our collaboration toward that end. You are valued partners, and we are committed to working closely with you on the issues and concerns that will be raised by today's announcements.

Susan M. LaChance
