RE: GLENOAKS STATION CLOSING
1634 SAN FERNANDO ROAD
BURBANK, CA

Please don't close this Post Office. I've lived in Burbank for over 30 years & near the Glenoaks Station for 14 years. The Burbank Bob Hope Station on Olive Ave. is downtown Burbank & is always busy & with limited parking. The other Post Office on Hollywood Way is just as bad. I go into the Glenoaks Station several times a month OR MORE plus its in walking distance. I wonder if alot of people - even new comers - know about this location. as its not that noticeable. Burbank should promote it more!

I believe Burbank needs this location. I don't own a computer & don't do things on-line! There's alot of older people like me who don't have computers. I am very active & busy & hope you reconsider & keep the Glenoaks station open.

Thank you Sharon Gallucci
