Notice of Price Adjustment

Docket No. R2009-2

CHAIRMAN'S INFORMATION REQUEST NO. 6

(Issued March 6, 2009)

To clarify the basis of its estimates in its Notice of Price Adjustment, filed February 10, 2009, the Postal Service is requested to provide a written response to the following question. The answer should be provided to the following question as soon as it is developed, but no later than March 12, 2009.

In comments submitted March 2, 2009, the Governor of Alaska makes reference to an "existing administrative solution" related to Alaska bypass mail that would help lower the impact of proposed rates on Alaska residents. Further, in comments filed March 2, 2009, the Alaska Congressional Delegation makes reference to a potential approach that contains similar attributes.

Please comment on whether the Postal Service is actively working to implement administrative changes that would have the effect of reducing the impact of proposed rate increases on parcels destined for delivery within Alaska, and your expectations as to whether and when any such efforts might provide relief.

By the Chairman.

Chairman
