POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

Review of Nonpostal Services

Docket No. MC2008-1

**Motion of DigiStamp
for Extension of Time
(September 17, 2008)**

DigiStamp respectfully requests that the Commission extend the deadline established in Order No. 93 for reply briefs in this proceeding by one week—i.e., from September 23 to September 30, 2008.

Rick Borgers, a primary participation in developing arguments for DigiStamp, has necessarily been away from work duties for much of the current week. As a consequence, DigiStamp is not able to prepare a full response to the number and scope of the legal argument and comments filed by participants on September 10.

A one-week extension of time should not prejudice any other participant. I don't anticipate that such an extension jeopardize the Commission's ability to complete its analysis and render a final report in this docket by December 20, 2008, the deadline established by 39 U.S.C. § 404(e)(3).

Respectfully submitted,

Rick Borgers
Lead Technologist, CEO
