

BEFORE THE
POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

ANNUAL COMPLIANCE REPORT, 2008

Docket No. ACR2008

NOTICE OF THE UNITED STATES POSTAL SERVICE
OF FILING OF USPS-FY08-37
(December 31, 2008)

The Postal Service hereby gives notice of filing today the following materials in connection with its FY08 ACR:

USPS-FY08-37 In-Office Cost System (IOCS) Statistical and
Computer Documentation (Public Version)

This item was included with the list of materials filed with the ACR on December 29th, but it was noted therein that several data system public items, USPS-FY08-34, 35, and 36, in addition to USPS-FY08-37, would have to be provided subsequently. They all consist of public versions of documentation of the respective data systems. As noted in the Response of the United States Postal Service to Order No. 155, also filed December 29th, they are all truncated versions of the corresponding nonpublic data systems documentation. While the contents of these files will hopefully be useful for analysis, their utility as inputs for downstream data processing is a matter that has not been fully explored, as also explained in the Response to Order No. 155. With today's filing of USPS-

FY08-37, and yesterday's filing of USPS-FY08-34, 35, and 36, the Postal Service has completed submission of all of the materials on the list that accompanied the December 29th FY 2008 ACR.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
