**RESPONSE OF THE UNITED STATES POSTAL SERVICE TO  
INTERROGATORY OF DAVID POPKIN**

**Revised: July 10 2006**

**DBP/USPS-85** Please refer to your response to Interrogatory DBP/USPS-71.

[a] What does DOV stand for? [b] For each of the specific independent or subsidiary offices that had one or more of the 161 boxes under their jurisdiction changed from a final collection time of 5 PM to 4 PM, please provide a listing of the before consolidation and after consolidation times of the final dispatch to the plant from each of the involved offices.

**RESPONSE**

[a] Dispatch of Value.

[b] Be advised that the last pickup times on only 8 collection boxes in the Olympia 985 service area, each of which has an average daily volume of less than 100 pieces, are changing from at or after 5pm to times before 5pm. Not 161 boxes. See the response to DFC/USPS-6. With one exception, collections from these 8 boxes go directly to the Olympia P&DC, so there is no DOV into that facility from subordinate post offices involved. For one box, the mail goes into a post office that has a 6:50pm DOV into the Olympia P&DC, which is not changing.
