RESPONSE OF UNITED STATES POSTAL SERVICE WITNESS YORGEY  
TO INTERROGATORY OF THE AMERICAN POSTAL WORKERS UNION

**APWU/USPS-T1-5** In your response to APWU/USPS-T1-2 you indicated that the 2007 actual volume for Lifeline would be available around mid-October. Please provide those data for the record.

**RESPONSE:**

The FY 2007 actual volume for Life Line Screening's Standard Mail solicitation letters was 106,267,407. This higher-than-expected volume for 2007 came about because Life Line Screening recently obtained its largest ever business development client, which caused an increase in mail volumes for August and September 2007. However, the Postal Service has been informed that Life Line Screening will be discontinuing operations on six of its vans in early 2008, which will correspond to a decrease of roughly six to seven million mail pieces in 2008.
