#### **1003 Bills and Statements of Account**

**1003.2** A statement of account is the assertion of the existence of a debt in a definite amount but which does not necessarily contain a request or a demand for payment. The amount may be immediately due or may become due after a certain time or upon demand or billing at a later date.

**1003.3** A bill or statement of account must present the particulars of an indebtedness with sufficient definiteness to inform the debtor of the amount he is required for acquittal of the debt. However, neither a bill nor a statement of account need state the precise amount if it contains sufficient

information to enable the debtor to determine the exact amount of the claim asserted.

**1003.4** A bill or statement of account is not the less a bill or statement of account merely because the amount claimed is not in fact owing or may not be legally collectible.

**1004 Girth**

**1005 Invoice**

An invoice is a writing showing the nature, quantity, and cost or price of items shipped or sent to a purchaser or consignor.

**4000 POSTAL ZONES**

**4010 Geographic Units of Area**

In the determination of postal zones, the earth is considered to be divided into units of area 30 minutes square, identical with a quarter of the area formed by the intersecting parallels of latitude and meridians of longitude. The distance between these units of area is the basis of the postal zones.

**4020 Measurement of Zone Distances**

The distance upon which zones are based shall be measured from the center of the unit of area containing the dispatching sectional center facility or multi-ZIP coded post office not serviced by a sectional center facility. A post office of mailing and a post office of delivery shall have the same zone relationship as their respective sectional center facilities or multi-ZIP coded post offices, but this shall not cause two post offices to be regarded as within the same local zone.

**4030 Definition of Zones**

**4031 Local Zone.** The local zone applies to mail mailed at any post office for delivery at that office; at any city letter carrier office or at any point within its delivery limits for delivery by carriers from that office; at any office from which a rural route starts for delivery on the same route; and on a rural route for delivery at the office from which the route starts or on any rural route starting from that office.

**4032 First Zone.** The first zone includes all territory within the quadrangle of entry in conjunction with every contiguous quadrangle, representing an area having a mean radial distance of approximately 50 miles from the center of a given unit of area. The first zone also applies to mail between two post offices in the same sectional center.

**4033 Second Zone.** The second zone includes all units of area outside the first zone lying in whole or in part within a radius of approximately 150 miles from the center of a given unit of area.

**4034 Third Zone.** The third zone includes all units of area outside the second zone lying in whole or in part within a radius of approximately 300 miles from the center of a given unit of area.

**4035 Fourth Zone.** The fourth zone includes all units of area outside the third zone lying in whole or in part within a radius approximately 600 miles from the center of a given unit of area.

**4036 Fifth Zone.** The fifth zone includes all units of area outside the fourth zone lying in whole or in part within a radius of approximately 1,000 miles from the center of a given unit of area.

**4037 Sixth Zone.** The sixth zone includes all units of area outside the fifth zone lying in whole or in part within a radius of approximately 1,400 miles from the center of a given unit of area.

**4038 Seventh Zone.** The seventh zone includes all units of area outside the sixth zone lying in whole or in part within a radius of approximately 1,800 miles from the center of a given unit of area.

**4039 Eighth Zone.** The eighth zone includes all units of area outside the seventh zone.

Except as provided in section 4050, rates according to zone apply for zone-rated mail sent between Postal Service facilities including armed forces post offices, wherever located.

**4050 APO/FPO Mail**

**4051 General.** Except as provided in section 4052, the rates of postage for zone-rated mail transported between the United States, or the possessions or territories of the United States, on the one hand, and Army, Air Force and Fleet Post Offices on the other, or among the latter, shall be the applicable zone rates for mail between the place of mailing or delivery and the city of the postmaster serving the Army, Air Force or Fleet Post Office concerned.

**4052 Transit Mail.** The rates of postage for zone-rated mail that is mailed at or addressed to an Armed Forces post office and is transported directly to or from Armed Forces post offices at the expense of the Department of Defense, without transiting any of the 48 contiguous states (including the District of Columbia), shall be the applicable local zone rate; provided, however, that if the distance from the place of mailing to the embarkation point or the distance from the point of debarkation to the place of delivery is greater than the local zone for such mail, postage shall be assessed on the basis of the distance from the place of mailing to the embarkation point or the distance from the point of debarkation to the place of delivery of such mail, as the case may be. The word "transiting" does not include enroute transfers at coastal gateway cities which are necessary to transport military mail directly between military post offices.

**5000 PRIVACY OF MAIL**

**5010 First-Class and Express Mail**

Matter mailed as First-Class Mail or Express Mail shall be treated as mail which is sealed against postal inspection and shall not be opened except as authorized by law.
