Tables 4-6 of SSR-90. If you do not confirm, please explain and provide the correct formulas for FY 1995.

OCA/USPS-T-32. Please refer to pages 20-21 of SSR-22. This document lists possible values of entries for item F35 of the FY 1995 IOCS data set. In a review of the data set, it appears that item F35 can take the value "Z" in addition to the values listed on pages 20-21 of SSR-22. Please explain the significance of this value and any other item values not documented in SSR-22.

OCA/USPS-T-33. Please refer to item F263 (tally finance number) of the SSR-22 IOCS data set and the accompanying documentation.

- a. Please confirm that the tally finance number (item F263) has been suppressed or recoded. If you do not confirm, please explain why only a small number of unique finance numbers appear in this field. If you do confirm, please explain why these finance numbers had to be suppressed, considering that all sample finance number locations were listed in response to OCA/USPS-T5-15.
- b. Please confirm that F263 takes only values "xxxxxx" (for example "666666" or "777777") on the data file provided with

CERTIFICATE OF SERVICE

I hereby certify that I have this date served the foregoing document upon all participants of record in this proceeding in accordance with section 3.B(3) of the special rules of practice.
