DFC/USPS-15. Please refer to the response to DFC/USPS-13. Interrogatory DFC/USPS-13 was not restricted to mail for which the service standard still is two days. Therefore, for mail originating in or destined to the California cities of San Francisco, Oakland, and San Jose, please identify all instances of changes in First-Class Mail service standards from two days to three days that were implemented in 2000 or 2001 in which the affected mail was transported by air before the changes in service standards were implemented and in which the affected mail continues to be transported by air subsequent to implementation of the changes in service standards.
