POSTAL RATE COMMISSION
WASHINGTON, D.C. 20268-0001

Periodic Reporting

Docket No. RM2003-3

SUBSTANTIVE COMMENTS OF
THE UNITED STATES POSTAL SERVICE - ERRATUM

(July 3, 2003)

Page 6 of the Substantive Comments of the United States Postal Service, filed yesterday, contained a typographical error. To read correctly, the word "replicate" should be inserted immediately following the word "thorough" in the sentence which reads: "Rather, the amendments would require materials calculated to permit thorough of the Postal Service's published reports, each year when a rate case is not pending." The Postal Service regrets any confusion caused by this omission. A corrected version of the filing will be supplied to the Commission's Docket room today.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
