Docket No. MC 2004-3

Discover Financial Services, Inc. (DFS)
Motion for Acceptance Of Signature Page For Stipulation And Agreement
October 1, 2004

Discover Financial Service, Inc. (DFS) hereby submits this Motion for
Acceptance of Signature Page for the Stipulation and Agreement in this Docket.

On September 16, 2004 the Presiding Officer released POR No. MC2004-3/5
which adjusted the briefing schedule and set September 27, 2004 as the date to file the
appropriate signature page with the Commission for those parties intending to sign the
Stipulation and Agreement. DFS had no objection to the Stipulation and Agreement,
but did not formally sign the agreement because of its NSA which was pending in
Docket MC2004-4. Yesterday the Commission released its decision in Docket MC
2004-4 approving the DFS NSA. DFS would now like to add its signature to that of the
other parties in this docket, even though it is beyond the September 27 window.

Respectfully submitted,

/S/
