

BEFORE THE
POSTAL RATE COMMISSION
WASHINGTON, D.C. 20268-0001

COMPLAINT OF TIME WARNER INC.,
ET AL. CONCERNING PERIODICALS RATES

Docket No. C2004-1

NOTICE OF THE UNITED STATES POSTAL SERVICE
OF FILING OF LIBRARY REFERENCE USPS-LR-1/C2004-1
(October 15, 2004)

The United States Postal Service hereby gives notice that it is filing today, under the protective conditions established in Presiding Officer's Ruling No. C2004-1/11 (October 14, 2004) , the following Category 4 and Category 5 library reference:

USPS-LR-1/C2004-1 Publication-Specific Material in Response to TW et al./USPS-RT2-13 (Protective Conditions, POR No. 11)

The library reference consists primarily of a copy requested by the complainants of a database of publication-specific information used by Postal Service witness Tang for purposes of evaluating what the impact of the Periodicals rate schedule advanced by complainants in this case might be on a sample set of Periodicals. Because this is also the input database of sampled Periodicals used by witness Tang to provide the output of regression analyses performed in response to POIR No. 2, the full regression inputs and outputs are also included in this library reference. To the extent that witness Tang has done her best to conduct the regression analyses in accordance with the instructions provided with POIR No. 2, but is unable to sponsor or endorse the methodology employed, that portion of the material is provided as a Category 5 library reference.

The material is formatted as Excel files. Because the size of the matrix of

information is not conducive to hard copy reproduction, the material has not been formatted for printing, and is provided in electronic version only. Subsequent users, of course, can format the material for printing in any manner that suits their purposes.

Because this material is being submitted under protective conditions, copies are not on file with the Postal Service library.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
By its attorneys:
Daniel J. Foucheaux, Jr.
Chief Counsel, Ratemaking
