

UNITED STATES OF AMERICA
POSTAL RATE COMMISSION
WASHINGTON, DC 20268-0001

Postal Rate and Fee Changes

Docket No. R2005-1

PRESIDING OFFICER'S RULING
CONCERNING FACILITY IDENTIFICATION
INFORMATION

(Issued June 17, 2005)

On June 15, 2005, the Postal Service submitted revised responses to interrogatories OCA/USPS-85 and 86. The initial responses were filed on May 31, 2005. The Postal Service indicates that the initial responses inadvertently contained facility identification information which the Postal Service had intended to redact. The revised responses redact that information.

The Postal Service has a long established policy of withholding specific facility identification related to data provided in rate cases. The Commission recognizes that policy. To minimize potential harm from the inadvertent release of such information, the initial responses to these interrogatories will be withdrawn from the Commission web site.

RULING

The original version of the Postal Service responses to OCA/USPS-85 and 86 will be withdrawn from the Commission web site.

George Omas
Presiding Officer
