POSTAL RATE AND FEE CHANGES, 2001

Docket No. R2001-1

NOTICE OF UNITED STATES POSTAL SERVICE OF FILING OF REVISED  
LIBRARY REFERENCE USPS-LR-J-58 (ERRATA)

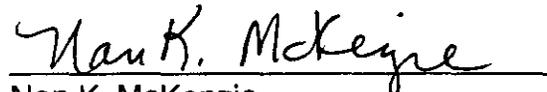

The United States Postal Service hereby provides notice that it is filing revised Tables 4 and 5 and a diskette with a revised Excel files for inclusion in:  
USPS-LR-J-58 First-Class, Periodicals and Standard Mail Weight Studies

Two revisions have been made to the workbook. First, the originally filed workbook inadvertently omitted the non-profit volumes and weights. This change does not impact witness Hope's testimony since she relied on the correct version. Second, the total CRA costs were revised to reflect the final test year before rates roll forward from witness Patelunas. Both of the revisions are inputs in Excel file LR58AECR\_revised.xls. The changes flow through to two other Excel files and result in a change in Tables 4 and 5. The revised tables are attached. An electronic version of all three revised Excel files has been provided.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
