Docket No. R97-1

NOTICE OF UNITED STATES POSTAL SERVICE OF FILING OF ERRATA TO
LIBRARY REFERENCE H-183
(October 16, 1997)

The United States Postal Service hereby provides notice that it is today filing errata to library reference H-183. A corrected version of this library reference is being filed with this notice. The revisions have a minuscule effect on the incremental cost estimates of witness Takis, reflected in errata to witness Takis's testimony and workpapers filed on October 9, 1997. The revised library reference now includes corrected output from the SAS model runs contained therein. Specifically, this revised output reflects very minor changes in the reduction in carrier time estimates associated with removing particular subclasses and groups of subclasses.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
