Item 8.01. Other Events.

The U.S. Postal Service (USPS) previously announced a loss for the quarter ending December 31, 2008, in an 8K filed on February 9, 2009. USPS discloses that its unaudited January 2009 financial results were an estimated \$5.80 billion in revenue and \$6.55 billion in expenses, resulting in an estimated net loss of \$751 million. This loss compares to a loss of \$44 million in January 2008, which resulted from total revenue of \$6.58 billion and total expenses of \$6.62 billion. Mail volumes declined by over 16% in January 2009 from January 2008. The January results continue to illustrate that the downward pressure on the Postal Service business continues into 2009.
