Subject: Telecom - Station/Branch Optimization and Consolidation (SBOC)

Pat Donahoe requested that I brief all EAS 24 and above Postmasters on our key strategy to consolidate station and branch operations in urban locations. The first telecon will be scheduled for all PCES Postmasters with future dates scheduled for EAS 24 and 26 Postmasters. The telecom purpose is to provide them with a briefing on the Station/Branch Optimization and Consolidation (SBOC) efforts taking place in all Districts. I will share with them some background on the SBOC efforts, outline the process, and then address any questions or concerns. Please notify all PCES Postmasters in your Area of the scheduled meeting place information.
