Move Update Assessments

Docket No. R2010-1

NOTICE OF TECHNICAL CONFERENCE

(November 6, 2009)

The Postal Service proposes to establish a specific Move Update assessment charge for First-Class Mail and to revise the manner in which the assessment charge will be applied to Standard Mail.¹ The Commission has received comments on the Postal Service's proposal from several parties. These comments raise technical questions concerning the implementation of the proposed Move Update assessments.

To develop more fully the record in this proceeding, the Commission will convene a technical conference to give the Postal Service an opportunity to clarify these issues in an informal atmosphere. The technical conference will be held at 1:30 p.m. on Thursday, November 12, 2009, in the Commission's hearing room.

To facilitate a dialogue, parties are urged to submit specific questions prior to the conference. The Commission's staff will do the same. Questions should be sent to the Postal Service's designated contact person, Don O'Hara, Manager, Product Redesign, *DOHARA@email.usps.gov*, and to John D. Waller, *John.Waller@PRC.gov*.
