

UNITED STATES OF AMERICA  
POSTAL REGULATORY COMMISSION  
WASHINGTON, DC 20268-0001

Annual Compliance Report, 2009

Docket No. ACR2009

NOTICE OF SCHEDULE CHANGES

(Issued February 10, 2010)

Order No. 380 gave notice of the Postal Service submission of its Annual Compliance Report and, among other things, established February 16, 2010 as the due date for reply comments. Subsequently, on January 20, 2010, the Commission scheduled a February 10, 2010 public forum to allow interested members of the public to discuss issues related to the continuing financial stability of the Postal Service. The Commission identified this as a pivotal issue in its review of the Postal Service's performance in 2009.

Due to extreme weather conditions, the public forum could not be held as scheduled on February 10, 2010. The forum will be held instead on February 17, 2010 from 9:30 a.m. to 11:30 a.m. in the hearing room of the Commission, 901 New York Avenue, NW, Washington DC.

In order to allow participants to incorporate views on information and ideas presented at the public forum in their reply comments on the Annual Compliance Report, the date for filing reply comments is extended until February 23, 2010.
