Hi Mary Anne,

Unfortunately, the attached letter and enclosures don't relate to our usual correspondence on our families and personal developments.

As you'll already be aware, both Postmaster organizations, and many others, take strong issue with the Postal Service's proposed revisions to 39 CFR Part 241, concerning Post Office discontinuances.

Nonetheless, I continue to wish you and your family all the best, and hope you will also pass on my good wishes to the Law Department gang.

Very truly yours,

Hal

Dear Ms. Gibbons:

We write you in regard to the proposed revisions to Title 39, Code of Federal Regulations, Part 241, which the Postal Service published in the Federal Register on March 31, 2011.

For the reasons outlined in the enclosed comments and opinion letter it appears that the Postal Service lacks the legal authority to adopt the proposed rules.

Should you wish to meet or confer on this matter we ask that you respond no later than May 20th.

Very truly yours,

Harold J. Hughes
