NOTICE OF MARKET-DOMINANT
PRICE ADJUSTMENT

Docket No. R2012-3

UNITED STATES POSTAL SERVICE
NOTICE OF REVISED PRICE ADJUSTMENT
FOR DETACHED ADDRESS LABELS
(November 15, 2011)

Pursuant to section 3622 of title 39 and 39 C.F.R. part 3010, the Postal Service hereby provides notice that the Governors have authorized the Postal Service to change one of its Standard Mail prices from what was filed earlier. In the Notice of Market-Dominant Price Adjustment (Notice) filed on October 18, 2011, the Postal Service included an increase in the price of Detached Address Labels for Standard Mail Saturation Flats, from 1.7 cents to 5.0 cents. Since that filing, the Postal Service has concluded that a smaller price increase would be more appropriate. The Postal Service therefore plans to reduce that price to 3.0 cents, with the same effective date of January 22, 2012. This price reduction reduces the overall percentage increase for Standard Mail from 2.124 percent to 2.041 percent.

One page from Attachment A to the Notice is affected by this price change; that page is being filed with this pleading, with the changes highlighted. Changes to the

Notice and USPS-R2012-3/2 assuming the 3-cent price are also being filed with this pleading.¹

Respectfully submitted,
