

Participant Statement

---

In 1960 the new lodge was built just outside Tyner on 4B road, but retained their p.o. box at Tyner. The lodge has been a postal customer at the Tyner Post Office over 100 years. In fact until 1950, the post office occupied space on the 1st floor of the old lodge building. I have been told that the postmaster of the Plymouth, Indiana Post Office, said the Tyner I.O.O.F. Lodge couldn't have mail delivery at the CBU boxes erected at the community building. She said they could either rent a box in Plymouth, or erect a mailbox and have delivery from Walkerton. They are a very large part of Tyner, how can they be denied service in Tyner?

---

---

During the post office meeting held at the Tyner Community Building, the availability of the then current building was mentioned. At that time one of the owners of the French Market offered them an area of the store for the post office. She asked what alterations would be necessary to make it secure for the post office. Ms. Judy Bays, of the Indianapolis Division, made a walk through and took pictures. To date the store owners haven't been told what would be required to make it secure for the post office.
