Docket No. ACR2016

NOTICE OF THE UNITED STATES POSTAL SERVICE REGARDING FILING
OF POST OFFICE SUSPENSION INFORMATION UPDATE
(May 10, 2017)

On page 151 of the FY 2016 Annual Compliance Determination (March 28, 2017), the Commission directed the Postal Service to update the information regarding Post Office suspensions presented in the “Suspensions” tab of USPS-FY16-33 within 40 days of the end of each quarter. The requested update for Quarter Two of Fiscal Year 2017 is electronically attached to this notice as Excel file “FY17.Q2.Suspensions.Update.xls.”

The Postal Service is in the process of reviewing all 655 suspended post offices to resolve these suspensions through re-opening or completion of the discontinuance process. As of May 5, 2017, the Postal Service has re-opened 29 of the 655 suspended offices, leaving 626 offices in a suspended status. As noted in the Postal Service’s Response to ChIR 16, Question 5 (March 17, 2017) in the FY2016 ACR docket, 260 of these offices have completed a discontinuation study and are awaiting publication of final notification in the Postal Bulletin. The Postal Service has also approved 45 Final Determinations for the required 30-Day Posting. As a result of the

above, the Postal Service is currently reviewing each of the remaining 321 suspended post offices to determine the proper course of action to be taken.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
