POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

Docket No. ACR2016

NOTICE OF FILING OF LIBRARY REFERENCES

(June 27, 2017)

Potpourri Group Inc. (PHI) hereby gives notices that it is filing the following Category 6 Library References with the Commission pursuant to Commission Rules 3001.10(a)(3) and 3001.31(b)(2)(iv).

- 1) PHI-LR-ACR2016/NP1- PHI NSA Elasticity Analysis
- 2) PHI-LR-ACR2016/NP2- Calculations of PHI Multiplier Drivers

This letter constitutes Potpourri's contemporaneous written notice of its submission of Library References 1 and 2 which are submitted in reference to Potpourri's Response to the Commission's request regarding the PHI NSA in the Commission's FY 2016 Annual Compliance Determination (Docket ACR2016). As indicated in Potpourri's Notice of Confidential Status, these Library References are confidential and are therefore being submitted Under Seal. Because these documents are highly confidential and contain proprietary formulas best represented in accessible spreadsheets, these documents are suitable as Library Reference submissions under Rule 3001.31(b)(2)(ii) and (iii). These materials fall under Category 6 pursuant to Rule 3001.31(b)(2)(i). This information was prepared by Potpourri Group Inc., and relates to the substantive issues of the estimated value of the PHI NSA including elasticity analysis (Library Reference 1) and multiplier effects (Library Reference 2).

NOTICE OF CONFIDENTIAL STATUS

Library References 1 and 2 contain proprietary market information and is highly confidential. This information, if disclosed, would harm Potpourri's market competitiveness by divulging sensitive projections and market behavior methods and procedures. Therefore, this information is being submitted Under Seal pursuant to Postal Regulatory Commission Rule 3007.10 and 3007.22. This letter identifies the protected material and the basis for its non-public status.
