Hon. Stacy L. Ruble, Secretary  
Postal Regulatory Commission  
901 New York Avenue NW, Suite 200  
Washington, D.C. 20268-0001

Dear Mr. Ruble:

In connection with the Commission's rules pertaining to periodic reports, 39 C.F.R. § 3050, I am submitting the following reports today:

- (1) National Trial Balance, October 2017; and
- (2) Statement of Revenue and Expenses, October 2017.

These reports are being uploaded to the Public Periodic Reports folder on the United States Postal Service Secure Large File Transfer Web Application portal (USPS SLFT), for public disclosure in redacted form. Most of the information has been disclosed; however, the values for a small percentage of accounts have been deleted.

Pursuant to 39 C.F.R. § 3007.21, the Postal Service incorporates by reference and relies upon the "Application of the United States Postal Service for Non-Public Treatment of Materials," which was attached to the letter from Daniel J. Foucheaux, Jr., dated August 24, 2009, used to transmit the corresponding reports for June, 2009.<sup>1</sup> This application describes the information withheld and presents the justification for withholding the redacted materials. I have also uploaded complete, unredacted versions of these reports to the Non-Public Periodic Reports folder on USPS SLFT. The unredacted versions should not be posted publicly.

Best regards,

/s/
