Docket No. ACR2017

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING
OF REVISED VERSION OF USPS-FY17-NP31 -- ERRATA
(February 6, 2018)

The Postal Service hereby gives notice of filing of a revised version of the material indicated below in the **Non-Public Annex** in this proceeding:

USPS-FY17-NP31 Nonpublic Material Provided in Response to Chairman's
Information Request No. 1, Questions 1-10, 12, and 14-16

A description of the revisions can be found at the end of the revised Preface included with the folder. This filing does not replace the original folder entirely. Instead, only one Excel file (ChiR 1 Q.1 Group.Rev.Shape Table.xls) among multiple files is replaced, and the other unrevised files are not resubmitted. Thus, included with this filing are only a revised Preface (to which is attached a revised text to the response to Question 1), plus the single Excel file that is revised.

The revision to the Excel file associated with the response to ChiR No. 1, Question 1 is a result of a change in the source of the data displayed. The format of the data presented in the Excel file remains the same, and the substantive changes in the values of some of the data provided have no major bearing on the ongoing procedural dispute regarding whether data at this level of aggregation should remain under seal. (The change, however, does affect one number provided in the redacted portion of the

Response to Order No. 4377 that the Postal Service filed on January 24, 2018, and the Postal Service is therefore separately filing notice of a revision to one page in the portion of the Response to Order No. 4377 filed under seal.)

The statements with regard to the Question 1 materials made by the Postal Service in its original Notice of Filing of USPS-FY17-NP31 and Application for Nonpublic Treatment¹ (January 12, 2018) with regard to the Question 1 materials remain equally as applicable to the revised material as they were to the original Question 1 materials submitted on January 12, 2018. Therefore, the original application for nonpublic treatment for this material within USPS-FY17-NP31 is incorporated by reference.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
