Docket No. ACR2017

NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING
OF USPS-FY17-NP41 AND USPS-FY17-NP42 AND APPLICATION
FOR NONPUBLIC TREATMENT
(February 20, 2018)

The Postal Service hereby gives notice of filing of the material indicated below as part of the **Non-Public Annex** in this proceeding:

USPS-FY17-NP41 Nonpublic Material Provided in Response to Chairman's Information Request No. 17, Question 3

USPS-FY17-NP42 Nonpublic Material Provided in Response to Chairman's Information Request No. 18, Question 2

As indicated, this material relates to requests for information posed on February 9, 2018, in Chairman's Information Request No. 17, and on February 13 in ChIR No. 18. This material consists of types of information customarily submitted under seal (specifically as provided within USPS-FY17-NP29 and USPS-FY17-NP2), and accordingly is submitted as part of the nonpublic annex in this proceeding. Attached to the Postal Service's ACR, filed December 29, 2017, was the Application for non-public

treatment of the non-public annex, which is hereby incorporated by reference. The same third parties that the Postal Service identified in Appendix 2 of that Application for non-public treatment as having a proprietary interest in the materials in USPS-FY17-NP2 have a proprietary interest in the materials in USPS-FY17-NP42. In addition, the Postal Service incorporates by reference the arguments raised in its application for non-public treatment included with its filing of USPS-FY17-NP40, which would apply here for disaggregated revenue information, to the extent applicable.¹

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
