**UNITED STATES POSTAL SERVICE
MOTION FOR LATE ACCEPTANCE AND REQUEST FOR URGENT REVIEW
OF MODIFICATION TWO TO A GLOBAL RESELLER EXPEDITED PACKAGE 2
NEGOTIATED SERVICE AGREEMENT**

(January 28, 2019)

The United States Postal Service (Postal Service) respectfully moves for late acceptance and requests urgent review of Modification Two to the Global Reseller Expedited Package 2 contract that is the subject of this docket, which the Postal Service filed in this docket today.¹

The Postal Service intended to complete this filing on January 24, 2019; however, completion on that date was impossible because the Postal Regulatory Commission (Commission) ceased operations due to a lapse in federal appropriations, and online filings at the Commission were not possible after Friday, January 11, 2019. Accordingly, the Postal Service completed this filing today, the first day that online filings became possible at the Commission after January 11, 2019. The Postal Service does not believe any party would be prejudiced by acceptance of the late filing.

Because Modification Two concerns an agreement that is currently scheduled to expire on January 31, 2019, the Postal Service also respectfully requests urgent review

by the Commission of Modification Two so as to reduce costs related to the programming of rates.
