**USPS MOTION FOR LATE ACCEPTANCE OF
ELEVENTH QUARTERLY REPORT**

(February 11, 2019)

The United States Postal Service hereby moves for late acceptance of its eleventh quarterly report, provided in response to Commission Order No. 3073 (issued February 12, 2016). In that Order, the Postal Service was directed to report on contract-specific volumes, costs, and workhours on a quarterly basis. The Postal Service's eleventh quarterly report for this contract, covering Quarter 1 and year to date for FY 2019, is today being filed under seal. The report was due on January 30, 2019, but the Postal Service was unable to file its report until today because site reporting was delayed, and it took additional time to update the Q1 model with the latest ACR costs. The Postal Service regrets the delay but submits that no party has been materially prejudiced.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
