Hon. Darcie Tokioka, Acting Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Ms. Tokioka:

In connection with the Commission's rules for Periodic Reports, 39 C.F.R. § 3050, I am submitting the following revised report today:

USPS Preliminary Financial Information (unaudited), June, 2019.

I have uploaded an electronic copy of this report to the Public Periodic Reports folder on the United States Postal Service Secure Large File Transfer Web Application portal (USPS SLFT).

The version of this report transmitted to you on August 9, 2019 denoted as a negative percentage instances where the variances were unfavorable as compared to planned and same period last year (SPLY) amounts. To remain consistent with previous reports, we have reverted the presentation back to reflect as a positive percentage instances where actual expenses exceed plan and SPLY and reflect as a negative percentage instances where actual expenses are less than plan and SPLY. This has been reflected in the report transmitted to you today.

If you have any questions, please do not hesitate to contact me.

Best regards,

/s/
