

August 29, 2019

Hon. Darcie Tokioka, Acting Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Ms. Tokioka:

In connection with the Commission's rules pertaining to periodic reports, 39 C.F.R. § 3050, I am submitting today copies of the quarterly Billing Determinants for Quarter 3 of Fiscal Year (FY) 2019. This report consists of two main parts:

1. Market Dominant Products Billing Determinants – FY 2019 Quarter 3 (This part is **Public**, and includes a total of eight subparts organized by class¹);
2. Competitive Products Billing Determinants – FY 2019 Quarter 3 (This part is **Non-Public**, and includes a total of nine subparts²);

I have uploaded electronic copies of each of these files to their respective Public and Non-Public folders on the United States Postal Service Secure Large File Transfer Web Application portal (USPS SLFT).

As noted above, part 1 of the Billing Determinants for Quarter 3 (Market Dominant Products Billing Determinants) is public and may be posted on the Commission's website. Part 2 (Competitive Products Billing Determinants) is confidential and non-public and should not be posted on the Commission's website. The Postal Service has determined that the entire contents of this competitive products submission should be withheld from public disclosure and that redaction of only parts would not be meaningful or practicable.

¹ Specifically, Alaska Bypass, Bound Printed Matter, First-Class Mail Domestic, First-Class Mail International, Media and Library Mail, Market Dominant Special Services, Periodicals, and USPS Marketing Mail. In tab F-9 of the Special Services billing determinants, the Quarter 1 and Quarter 2 volumes and revenues for Plain Stamped Envelopes and Premium Features for Plain Stamped Envelopes have been revised to correct an error in the Quarter 2 billing determinant submission.

² Specifically, a cover page plus Competitive International, Competitive Special Services, First-Class Package Service, Parcel Return Service, Parcel Select, Priority Mail, Priority Mail Express, and Retail Ground.

Pursuant to 39 C.F.R. § 3007.201(c), the Postal Service incorporates by reference and relies upon the “Application of the United States Postal Service for Non-Public Treatment of Materials,” which transmitted the corresponding reports for Quarter 3 of FY 2018.³ References to Quarter 3 of FY 2018 in the document should be read to refer to Quarter 3 of FY 2019. The application applies to all of the materials described above that the Postal Service has designated as non-public and for which it has requested confidentiality.

If you have any questions regarding this submission or the discussion above, please do not hesitate to contact me.

Best regards,

/s/

Kara C. Marcello
Attorney, Pricing and Product Support

cc: Ms. Taylor

³ Letter from Kara C. Marcello to Hon. Stacy L. Ruble, Attachment 1 (Aug. 29, 2018).
