Hon. Erica A. Barker, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Ms. Barker:

In connection with the Commission's rules pertaining to periodic reports, 39 C.F.R. § 3050, I am submitting today the following revised report:

Integrated Financial Plan (IFP), Fiscal Year 2020.

I have uploaded an electronic copy of the IFP to the Public Periodic Reports folder on the United States Postal Service Secure Large File Transfer Web Application portal (USPS SLFT).

The FY 2020 IFP document is based on the FY 2020 IFP approved by the Board of Governors of the Postal Service. The FY 2019 data reflected in this report are final audited results that are reported in the Postal Service's Annual Report on Form 10-K.

The version of the report transmitted to you on February 13, 2020, incorrectly estimated year-end FY 2020 unrestricted cash at roughly \$7.5 billion, instead of roughly \$7.5 to \$8.0 billion. This has been corrected in the report transmitted to you today.

Best regards,

Kara C. Marcello
